

Will you be able to handle compliments about how you look when you are of normal size?

Will your "new" normal weight self" pose a threat to your relationship with "significant others?" (how specifically?)

How will family and friends respond to the "new you?"

Do you expect to get a better job?

Will you get more respect from other people?(Who specially).....

Will you feel comfortable with these altered responses from others?

Will you be expected to perform better at work (or at home)?

Will you have to be more sociable than you are now?

Will you have to assume any new responsibilities (please describe)?

.....

What will happen if some of your expectations don't come true? What might you do?

.....

What do you expect to have to do to maintain weight the same?

.....

Will you continue to watch your food intake?Exercise?

Continue with professional medical monitoring?For about how long?.....

Do you have any other expectations than those listed above?.....Specifically, what are they? Please describe them in detail
